Enjoy a Southern Christmas. Take a nostalgic trip back in time to an innocent age when anticipation of Santa made the holidays magical— when we all dreamed of a “White Christmas” and listened for “Silver Bells”. Beautiful melodies will give way to peals of laughter as humorous songs are mixed in with comedy routines to round out an afternoon of delightful entertainment.

Cost is \$50 per person which includes your show ticket, meal at Meadow Village Restaurant, and transportation. After dinner, we will tour the Meadow Lights display. We will depart from Riverbirch Corner parking lot at 11:30 am and return at approx. 9pm.
